

## IBA Group Named to 2011 Software 500

For the fourth consecutive year, IBA Group was ranked as one of the world's largest software companies in the Software Magazine's Software 500 rating, now in its 29<sup>th</sup> year. IBA Group was ranked #278 with a 13.9% growth rate.

## IBA Completes Project for Kazakh Railway

IBA completed a project on the development and implementation of the automated management system "Contract and Commercial Operations" (CCO) for Kazakh Railway. Built on IBM WebSphere products, the system covers the entire lifecycle of client's interaction with Kazakh Railway, from e-contract conclusion to consignee's notification of the cargo arrival. It is planned that CCO will serve as a core system to manage all cargo transportation at Kazakh Railway.

## IBM Appoints IBA as Tivoli AA-Level Accredited Business Partner

IBM appointed IBA as Tivoli AA-level Accredited Business Partner in Tivoli Service Request Manager. Using Tivoli Service Request Manager, a customer can launch a cloud SaaS Service Desk system to manage IT infrastructure and IT services in compliance with ITIL/ITSM (Information Technology Infrastructure Library/Information Technology Service Management). For IBA, it is the second appointment of the AA-level, the first being in Tivoli Storage Manager.

## IBA Training Center Launches Exams in Project Management and Achieves Apple Authorization

On August 26, the IBA Training Center (Minsk, Belarus) held a pioneering certification exam within the Project Management Professional (PMP) program. The IBA Training Center has become the fourth institution in the CIS that offers PMP certification. In July 2011, the IBA Training Center achieved authorization from Apple. Being an Apple Authorized Training Center (AATC), it may conduct Apple-authorized courses in Mac OS X, and Final Cut and Aperture.

## IBA CZ Organizes Software Summer Camp for Czech IT Students

In early September, IBA CZ organized its 5<sup>th</sup> Software Summer Camp in cooperation with the Faculty of Informatics of the Masaryk University. Focused on IBM technologies, portal applications, and project management, the event gathered 84 students from eight Czech universities.

## IBA-Supported University Team Wins 3<sup>rd</sup> Place

Since 2009, IBA has been rendering assistance to the Belarusian State University of Informatics and Radioelectronics (BSUIR) team that participates in the international student programming contest KPI-OPEN. This year, the contest took place from July 4 to July 9 in Kyiv, Ukraine. The BSUIR team won the 3<sup>rd</sup> place and was acknowledged as the best foreign team among 84 teams from Belarus, Georgia, Hungary, Poland, Russia, and Ukraine.

## IBA Group to Exhibit in Dubai

From October 9 to October 13, 2011, IBA Group will showcase its services at the GITEX Technology Week in Dubai, UAE. We invite you to come to the Sheikh Saed Hall and visit booth #S1-A3.
