

October – December 2011

### IBA Group Implements Information System at Belarusian Railway

On December 15, IBA put into production the Information Analysis System to Manage Cargo Railway Transportation (IAS MCRT) of Belarusian Railway. The project to implement the system was launched in late 2002. IAS MCRT streamlined numerous business processes at Belarusian Railway, including management of cargo and passenger transportation, generation of daily status reports, registration of car maintenance and car rental operations, and planning of shipments. The project is unparalleled in Belarus in terms of automation scope, territorial distribution, and amount of work.

### The Institute of Certified Financial Managers Recognizes IBA as The Best Employer of the Year

On November 17, IBA received an award of the Institute of Certified Financial Managers (ICFM) in the category *The Best Employer of the Year*. His Royal Highness Prince Michael of Kent congratulated IBA and awarded Taisa Lusikova, Chief Accountant at IBA, a diploma and a Luca Award, a bronze statuette of Luca Pacioli, the Cistercian monk who is credited with inventing the process of double entry bookkeeping.
