

IBA Group Included in Software 500

For the fifth consecutive year, IBA Group was included in *Software Magazine's* Software 500 ranking of the world's largest software and service providers, now in its 30th year. IBA Group was ranked 288, with software revenue of \$84.4 million, reflecting a 10.9% growth rate. "The 2012 Software 500 results show that revenue growth in the software and services industry was again healthy, with total Software 500 revenue of \$643.6 billion worldwide for 2011, representing approximately 19 percent growth from the previous year's list," said John P. Desmond, editor, *Software Magazine*.

IBA Group Featured in 2012 Global Services 100

On August 31, *Global Services* published the 2012 Global Services 100 list and categories. IBA Group was listed among the Global Services 100 providers and recognized in the category Emerging Mid-Tier Global Application Development and Maintenance (ADM) Leaders. IBA has been included in the list and its various categories since 2005.

IBA Receives CIS Quality Award

On August 21, an award ceremony to honor the winners of the CIS (Commonwealth of Independent States, former USSR) Quality Award 2011 was held in the conference hall of the CIS Executive Committee in Minsk, Belarus. IBA was named a winner in the category *Services*.

SAP Authorizes IBA Group as SAP Partner Center of Expertise

On June 29, SAP AG authorized two members of IBA Group, namely IBA Minsk and NIIEVMSservice as SAP Partner Center of Expertise. IBA is also authorized as SAP Service Partner and SAP Channel Partner Gold Level in SAP Business All-in-One.

WITSA Secretary General Visits IBA Minsk

On August 13, Dr. James Poisant, Secretary General of the World Information Technology and Services Alliance (WITSA), visited IBA Minsk. During the meeting at IBA Minsk, Dr. Poisant showed interest in the development of the Belarusian IT industry and education, as well as in employee support. He said that "the difference between winning and losing in a competitive environment is in service and service is rendered by employees - treat your people like you want them to treat your customers."

IBA Group to Build Its Own Campus in Belarus

On August 23, IBA Group conducted a ceremony of laying a time capsule to the foundation of a new building intended for employees of IT Park, an IBA Group's development center. The ceremony was held at the IBA Group's building area of the Belarusian High-Tech Park (HTP). The IBA Group's campus will occupy approximately 3.5 hectares along the new Street of Programmers in the HTP territory. The IBA campus will include an office building for 1,000 workplaces, a multilevel parking for 400 cars, a fitness center, and a house of 132 apartments for IBA employees.
